A REASON TO LIVE

Dear *Just 18*: Young girls are the reason to live! I am certain of it. I have been depressed for a very long time and my sadness was preventing me from getting out of bed and accomplishing anything during my day. But then my friend passed along a copy of your magazine to me in an effort to cheer me up and I'll tell you what—it worked! I looked through the pages and felt myself fill up with inspiration. The young beauties you photograph gave me the courage to get out of my house and face the day! Now each morning I have a little special private time with an issue of *Just 18* and that's all I need to jump start my day. I cannot thank you enough.—Larry in ND

Will you be my pen pal?

ALL RILED UP

Dear *Just 18*: Why aren't there ever photos in your magazine of girls masturbating in their own frilly pink bedroom while wearing bunny slippers? I think that would be the most erotic layout in the entire world. Such hotness! The contrast between the wanton behavior and the innocence of the stuffed slippers! I am getting all riled up just now thinking about it. Maybe an orange colored vibrator as a nod to a carrot? OK, maybe now I have gone too far.—Victor in MA

THE HONEY HOLE

Dear *J18*: I'm a hardworking individual. I don't have time for recreational things like listening to music, beating off and whatnot. So when I grab a skin mag to help speed things along, I need it to be good. That's why I always go with yours because I know for certain that I will find several fresh young honeys waiting just for me.—Brian in NY

WORSHIP FROM AFAR

Hello Little Ladies of *Just 18*! This is a group letter to all of you. I want each and every one of you to know how truly grateful I am for your willingness to share the perfection of your supple young frames with the rest of the world. You are amazing! You deserve to be worshipped and adored! I adore you from afar every day! Do not ever forget that this is so! Without you and your ease of morals, men like me would be much sadder and lonelier than we already are. Not that I don't have a girlfriend because I do. I am attractive! But sometimes when a man is alone he needs something to cheer him up and make him feel that all is well with the world. This is what you do! Whenever you remove all of your clothing and spread apart your legs for the camera, know that you are doing something wonderful. Keep on doing these things for as long as your youth and beauty allows! It is a very important kindness you are bestowing upon society! Take my word for it!—Danny in VA

PICKY ABOUT THE PUSSY

Dear *Just 18*: I

must admit that I'm a bit of a cooze connoisseur. I am very picky about the pussy I beat off to, and it took me a while to find your publication. But boy am I ever so glad I did. I stroke myself to satisfaction almost every single day with the gals in your magazine to guide me. They are, hands down, the sweetest, sexiest, most delicious-looking group of hotties I've ever laid hands on my joystick in tribute to. Ho-lee-smoke! I get off so good when I can enjoy clear views of young, clean-shaven snatch. All I have to do is imagine putting my mouth on one of those precious little pussy holes and running my tongue all along the length of it. Then my wood gets sprung as stiff and sure as a thousand year oak and my seed comes squirting out in a strong, true stream.—Vance in WI

TASTER'S CHOICE!

Dear *J18*: I like to eat pussy a lot and I specifically like to eat young pussy because it is my opinion that it tastes the best. I would like to eat the pussy of nearly every girl I have seen pose for you, with a couple of exceptions that I don't care to get into at this moment. I think blonde pussy happens to taste the very best of all but that is just me. I don't mind eating out a red-head or brunette too so don't start making assumptions that I am picky. All I am saying is that if I did have a choice

I would choose blonde. Even if the pussy hair is all shaved off I think that it's possible to taste the original color it is down under the skin. Blondes taste like fresh spring rain.—Scott in Vancouver

THE HAPPY SOCK

Dear *Just 18*: A quick thank you for all of the baby-wasting fuel! Because of your magazine, I swear to god that I shoot more loads into my own hand or a towel than I do into my girl. Every time she tries to pull that withholding sex bullshit I just shrug and turn to my *Just 18*. Take that, beeotch!—Mark in OH

I'm not, like, materialistic or anything but gawd do I like shoes. Boots, heels, sandals—you name it. Having the right pair on makes me feel so sexy. My absolute fave are these funky black and white boots that look kind of sneaky and go practically all the way up to my knees. When I wear those I just wanna do bad things to myself. In fact, they make me so wet that I have to stop and swab off my va-jay from time to time so my girly juice doesn't drip out onto the floor! I have a special dildo I use only when I'm sporting those specific kicks because it's all shiny and black and matches them perfect. It's pretty big though so my pussy really has to stretch wide for it to fit all the way. But when it's in there—wowzers! Then I cum so hard that I can't help making a sticky mess. 🍑

AMAZONIA

I've been called many names—slut, ho, skank—but no one can call me a cold fish! Sex is my favorite thing in the whole, wide world. I get so psyched to have a “p” in my “v” that I grin like an idiot whenever I’m about to hook up. And while the magic is happening? You better believe that I do way more than just lie there! First I start things off with some sloppy wet head to make sure my partner is as hard as he can get. Then I climb atop his beef stick and bounce around for a while before flipping over to get balled on my back. I make sure to give my all to every guy that gets with me...not even my a-hole is off limits. For the finale I prefer it when they nut in my mouth—I mean, why waste it?

HORNDOG'S NOTEBOOK

"Hi fellas! Meet Bright Boy, who got an unexpected treat one lazy Sunday morning when a hot chick named Georgia picked him to help her with a club initiation!"

29231

one Heavenly Inch

By Bright Boy

"Hey you. Bright boy."

"Huh?"

"You, bright boy, the one in the strip club cap."

I looked up from my newspaper. I knew I was most likely the only one in the fast food joint who was wearing a cap from my favorite local titty bar. In exchange the bar gave me every other drink free for wearing the cap around town every day. You know, like advertising.

The voice calling to me belonged to a very cute chick, about eighteen years old. I was more than double her age.

"Had any lately, bright boy?"

The joint was crowded and I was taking my time reading the funnies as I finished my Sunday morning coffee. But I closed the paper and focused my attention on this girl.

"Got any what?" I said. Even though I had a feeling I knew what she meant, I was kinda hoping it was something else. But young girls these days are rude.

She leaned over her table and whispered.

"Pussy...had any? Maybe from some of your stripper pals?" She pointed to my cap.

Sure, just the other night I'd gotten some good grinding and a handjob from my favorite dancer. But I wasn't going to share that info with this stranger.

"Why do you ask?"

"Just gathering facts, bright boy." I knew she must have gotten that "bright boy" shit from some old gangster movie on cable. She was wearing a hoodie, and her big eyes really stood out. "I'm looking for somebody to play with, and if you haven't had any lately it'll be even more fun for me to give you some. You know, like charity, they say it does more for the giver than the givee." She talked really fast. If she wasn't so cute, I would have gotten pissed off because what she was really doing was insulting me. Wasn't she?

After a long pause, to let her know without saying it that I was getting the drift of her low opinion of me, I

said, "Fun where?"

"At my girlfriends' apartment. Just around the corner."

"Are you a cop?" I asked.

"Trying to set me up?"

"No," she said, leaning over again and pulling back her hoodie. It was nice to see all her pretty hair. "It's for my initiation into a club. If I do it right, I get to join a club in the neighborhood."

"What club?"

"The UBB."

"What's that mean?" I said. I finished my coffee, acting casual, but my heart was pounding. I'm a regular-looking guy, and I never get total babes hitting on me, offering free squack.

"I'll tell you after you go with me. Just around the corner."

"You're bullshitting me," I said, turning back to the funnies.

"You think so, bright boy?" She straightened up, and I could tell her body was pretty fine through her hoodie and jeans. "Okay, then I'll walk away." And she pushed out from behind her table.

"On second thought—" I said.

"Yeah?"

"I might be able to help you out."

She laughed and held out her hand to me, pulling me up from my chair. "Help ME out? Ha-ha, I always like guys with a sense of humor. By the way, my name is Georgia."

* * *

We got to her girlfriends' apartment. Three other girls, all tough looking chickies like Georgia, were sitting around playing cards and using pretzels as chips. They looked at me with serious eyes and didn't say a word, just went back to their game.

"I remember when people played with actual money," I said.

Georgia pushed my face a little with the heel of her hand. "The pretzels are like chips, bright boy. Other times we play with cut-up tampons! You believe that? Ha-ha! Come this way." She led me to a

room in the back and closed the door behind us. Then she started undressing me.

"I hope you have a big dick, but it don't matter really as long as you have one good inch."

"I got a few," I said. "Am I going to see you naked, too?"

"Of course, bright boy."

The more I watched her take off my clothes, the harder I got. This was the most exciting thing that ever happened to me. It's hot when chicks strip you while they're still dressed. I've seen that in a few porn movies. Once I was naked, she tore off her clothes so fast it was like somebody would give her a prize when she was bare. And wow, it was worth it. This might have been the craziest situation I ever got into, but when I saw her nude body, I knew it was worth the risk. But maybe there was no risk and I was just paranoid.

"Let's start with one heavenly inch," Georgia said, reaching down and taking exactly one inch of my cock between two fingers. She tugged on it. "Ooh, leaky, bright boy. Gooney." She licked it off her fingers.

Then she got down on her knees in front of me. "One heavenly inch!" she said, looking up at me with those amazing eyes. And she opened her mouth and took the head of my meat into her lips—one inch exactly.

She sucked my tip nice and slow, then popped it out of her mouth. "Good thing you're on the small side, bright boy, because big boys have tips that are bigger than one inch! But I could fit your whole head inside. How big you think this acorn is, total?"

"Acorn! Jeez, Georgia, that's not a very nice thing to say."

She flicked it with her thumb and forefinger. "Don't contradict me, bright boy." And she took my inch-long cap back in her mouth.

"I think it's **CONTRAdict** instead of **COUNTERdict**," I said, like I was an expert on English.

"Just for that wisecrack, no more sucking, we go right to the pussy," she said, laying down on the bed and spreading her legs.

"Okay now, put it inside me...one heavenly inch."

"What the fuck?" I said. "How you gonna measure?"

"Try me and see, bright boy."

I lay down on top of her and she took my cock between her fingers. I was stickier than ever just looking at her sexy titties and smooth belly and hot mouth, and I thought it was going to be impossible for her to police me in her pussy, but damn! She inserted me and tightened up at one inch. Must've been muscular or something.

"One heavenly inch," she said, looking up at me with a smile I knew pretty quickly was an **EVIL** smile.

"Oh please make it two, Georgia. Or three!"

"You're lucky I ain't measurin' by millimeters like the Euros do. Then you might get less, bright boy!"

"Oh Georgia, you're so hot—"

"Enough of that!" she laughed, and pushed me off her, my cock wobbling in the air between us, strings of my pre-cum attached to her pussy like a rickety bridge in the jungle. (I like Tarzan movies.)

"What now, you nutty female??"

"Stand over by the door and jerk off while I play with myself. Add 'em up, bright boy! You actually got three heavenly inches of me, hand, mouth, pussy. Right, girls?" she said, looking over toward the wall. It was then that I noticed three sets of small eye-holes in the plaster, and the eyes behind them. The card-players, I figured.

"You're almost one of us!" one of the girls said through the wall. "Just make him squirt and you're in, Georgia!"

"One of what??" I cried.

Georgia's eyes almost glowed at me as she rubbed her pussy and bit down on her lower lip. "One of the

UBB—Ultimate Bitch Babes! We only give our men **ONE HEAVENLY INCH**, ha-ha!"

The eyes were behind me in the wall, and spread out in front of me on the bed was Georgia, playing with her pussy with a big long red dildo. What the hell, I thought, she was right! She'd actually given me three inches of her hot fingers, horny mouth, and sleazy pussy—but **ONE HEAVENLY INCH** at a time! What better things did I ever get on a lazy Sunday morning?

I watched her stroke her pussy and I blasted my load just as she exploded on her fingers. I don't think I ever came like that—like a geyser, spraying into the air. I could only imagine how I mighta come with **MORE** heavenly inches!

Once Georgia completed her initiation assignment and became a full-fledged **UBB**—thanks to me!—they even let me munch on a few of those delicious pretzels. And I even tell my friends to call me **Bright Boy** now! When I tell them where I got the name, shit, they go nuts! **18**

Judy & Angel

My friend Judy is such a slut, I mean for realz. She's so oversexed it's crazy! She always invites me to do stuff with, but every time we hang out she's got a major ulterior motive—to get me naked and munch my box. Not that I mind much, if you want to know the truth. That girl knows her way around a cooter! She starts out by getting me mega hot and bothered with her tongue, flicking my nipples with it before zeroing in on my bean. She kisses my clam so sweetly that it makes me moan out loud, and then when I'm just about to O she stops licking my snatch in order to finish me off with her fingers. Then I work on her but by then she's usually so turned on she cums in like a second. See, what did I tell ya? Slut!

MEGGAN

If I ever become president, I'm going to pass a law that says everyone has to be completely naked for at least 50% of their day. I think that the human body is beautiful, and too many people spend way too much of their time all covered up. I mean, take my body for example. I can't come up with a single legit reason why I should keep it hidden all of the time. Clothes can be fun and all, but ultimately they just get in the way of me touching myself. While it feels good to rub my clitty when it's all snug inside a pair of panties, it feels ten times better when my fingertip can touch it directly without any material there to get in the way. My beaver is my very best friend and I like to make sure she is happy all of the time.

So I am dating this great guy who is really rocking my world. His name is Roger and he wants to get it on all of the time. I wasn't very sexually experienced when I first met him so I was a little bit nervous he wouldn't like me but he's been super understanding and cool about teaching me new stuff in bed. Like anal. Roger can't get enough of sticking his roger in my butthole. I was definitely hesitant when he first brought it up but then I figured why not. He eats me out for a real long time first to make sure I feel good and relaxed. Then he eases that pecker into my poop chute and starts humping away. I actually kind of like it because it feels super dirty and it excites Roger so much. After he finishes I make a big show of lapping up his spunk and it makes him laugh. Roger rules.

STACEY

I lost my virginity pretty much the exact moment I turned 18. My best friend Karen was wondering what gift to get me and I told her that I wanted to get laid. So she arranged for one of her older brother's friends to show up at my house in the middle of the night on my bday and I snuck him in. He fucked me right in my own bed with my parents asleep down the hall! The whole time he was inside me I had the corner of a pillow in my mouth to make sure I kept quiet which kind of sucked because I wanted to moan loud and tell him how good his cock felt. That was like six months ago and I haven't done sex since but I finger myself all the time thinking about it. Only when my folks aren't home though so I can be as noisy as I want when I cum! **18**

VICTORIA & TOMMY

When I moved out of my parents' house when I turned 18, I had to find a roommate. I ran across this guy Tommy who was looking too so we decided to share an apartment. He and I got along so well that we started hooking up. He's not my boyfriend or anything but I sure like to fuck him. Tommy really knows how to use his cock. When it's inside my pussy I feel totally alive. I can cum multiple times all over his shaft as he thrusts in and out. But I especially like it when he gives it to me up the ass. When he's balls-deep inside my starfish, I wriggle and shake and have such intense orgasms that my toes tingle for hours afterwards. I always beg him to drop his load in my bum but he prefers to pump it into my mouth. I guess he likes the sight of his own spunk! **18**

Like all good roomies, they share the household sexpenses.

People ask me all the time "how can such a tiny girl have such great big knockers?" and I always shrug and tell them that god just musta had magnificent mams in mind for me. I mean, I had practically no rack to speak of until my sweater puffs swelled to their present size. And holy tit has my life been different ever since! Men can't seem to keep away from me now—it's completely insane. I've been hit on by friend's boyfriends, friend's fathers and even my professor. I once even got out of detention by hiking my top up and waiting till my teacher rubbed one out to the sight of my snug-gle pups. There's no telling what good will come of possessing a pair like these. My chest is gonna get me all kinds of treasures.
